The Human Resources Manager,
TechnipFMC,
Western Region - Takoradi,
Dear Sir/Madam,

Application for Graduate Engineer Program

I am writing to express my interest in undertaking my Graduate Engineer Program with TechnipFMC , for the service period 2025/2027. I am Petroleum engineering student at Takoradi Technical University, expect to graduate in August 2025.

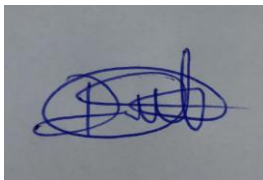

During my academic journey, I have gained skills in mechanical systems design, problem-solving, teamwork, and critical thinking. I am eager to contribute to your organization's operations while gaining practical experience in the energy sector

I am drawn to you because of your reputation for innovation in sustainability initiatives and your commitment to safety. I am confident that my technical knowledge, adaptability, and enthusiasm for learning align with your goals and objectives.

I would be grateful for the opportunity to contribute meaningfully to your team while fulfilling my Graduate Engineer Program obligations. I am available for an interview at your earliest convenience

Thank you for considering my application. I look forward to the possibility of contributing to the success of your esteemed organization.

Yours faithfully,

Donna Esther Nickson,
